

A LITTLE ABOUT OUR FUNDRAISER

The City of Wells is revitalizing the downtown area. One of the projects is to construct the Western Heritage Park with traditional outdoor equipment used in our western culture to include sheep wagons, haying equipment, tilling equipment. We have already built the gazebo for downtown farmer's markets, shows and events. Now we would like to construct pathways which will remember the folks of past, important groups, dates and in general our unique western culture.

By donating a brick, you are helping restore the gems of our downtown and remember your favorite people and things. Personalize your brick with a name, a message or a memory. All bricks will be installed along the walkways located in our Western Heritage Park. Donate a brick today and be a part of the bright future of Wells, Nevada!

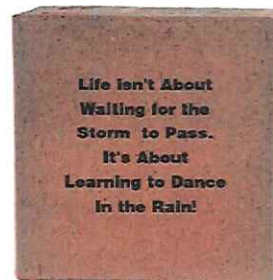

BRICK OPTIONS 4X8 BRICKS

DOWNTOWN REVITALIZATION PROJECT

BRICKS PROVIDED BY THAT'S MY BRICK!

Adept Engraving LLC has been working with thousands of organizations throughout the country, helping them to raise funds for various causes through That's My Brick!® Fundraisers.

We offer personalized bricks to further the success of your organization. Our bricks are great for plazas, memorials, walkways, and anywhere else you use bricks! Show your support by personalizing a brick today!

THE MARKING PROCESS

That's My Brick!® uses a patented, laser based marking process that produces a layer of black, fused glass on any color surface of the brick or tile. The marks are flush with the surface of the brick or tile, which means less maintenance and no chance of wear-based damage.

All samples passed each of the ASTM specified test conditions (Freeze/Thaw cycling, Salt Spray exposure, Ultraviolet Light exposure) with flying colors. The independent testing has proven that bricks marked with our process and installed properly in your project will last longer than our lifetimes.
